

Lake Massasecum Improvement Association  
P.O. Box 15 Bradford  
NH 03221-0015  
www.lakemassasecum.org  
Serving Lake Massasecum Since 1920 - (603) 938-2488

The 2007 photo contest was another tremendous success. Over 57 photographs from around the lake were submitted for review during the annual meeting. By a vote of the 60 or so members present at the meeting photos were selected to become the 2007 Lake Massasecum Improvement Association Calendar.

To cover the additional printing cost this year the quantity discount schedule has been revised. Calendars will also be on sale at several local merchants but not at discount rates as indicated below. They will also be available from David Currier (938-2488) at 16 Oakdale Road. Save the postage and handling by picking them up yourself. Just indicate below "will pick up" and deduct the fee. They'll be available after September 15<sup>th</sup>. You may view the photos selected on the web site, Projects tab at: [www.lakemassasecum.org](http://www.lakemassasecum.org)

Don't delay, be the first one on your street to have one of these truly unique and picturesque calendars depicting Lake Massasecum throughout the four seasons. The total proceeds, from the sale of these calendars, goes to the support of the Milfoil Mitigation and Prevention Program. Thank you for your continued support!
